**Graduate Programs in Molecular Biosciences**

**ROTATION EVALUATION FORM**

*Note: This form will not be shown to rotation students*

This form is to be filled out by lab rotation advisors after the rotation student has completed a rotation. This information is crucial in helping the Rotation Advisory Committee track student academic and laboratory performance. Rotation Advisors please complete this form and put in campus mail to:

**Perry Dominguez, GSBS-RWJMS, R-102, Piscataway Campus.**

If you have any questions contact Monica Roth, Chair, Rotation Advisory Committee (Rm. 636 of RWJMS  732-235-5048 or roth@rutgers.edu).

Rotation Advisor Name: _____________________________________ (please print)

Student Name: _______________________

Lab Rotation # ______

Ratings (1 to 5 with 5 being best)

<table>
<thead>
<tr>
<th>Rating</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Responsible, shows up to lab</td>
</tr>
<tr>
<td></td>
<td>Works hard when in lab</td>
</tr>
<tr>
<td></td>
<td>Understands what he/she is doing and can summarize</td>
</tr>
<tr>
<td></td>
<td>Can execute experiments with minimal guidance</td>
</tr>
</tbody>
</table>

Strengths of this student in the lab:

Please discuss what this student should work on to be successful in the PhD program:

Would you take this student into your lab?

_____ yes  _____ no  _____ undecided
